Yes, I'm a Latina through and through. Even though my blood runs hot, I can be both sweet and then turn on the passion as I check out your package. Yes, that means you gotta be hung to get into my pants. I have no need for small dicks. Just because I'm brunette doesn't mean I'm dull and boring. I'm quite the opposite.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

CHERRY ON THE BOTTOM

"You won't be a real woman till you lose your anal cherry," her friend told her. Well, Fiona wanted to be fully a woman, so...

Joanna said I wouldn't be a real woman until I lost my anal cherry. She'd been bragging and boasting ever since she came back from summer camp, where she worked as a counselor. Instead of watching the kiddies, she'd been out in the woods getting her butt-hole pumped at every opportunity. At least that was how she told it. I wasn't sure if I believed it or not.

"Don't you think it would be really hard to get a big old prick crammed into a tight little asshole?" I asked Tyler, my new boyfriend.

Tyler flipped me over and tickled the inside of my crack. It was real easy, because we were both naked at the time. At first, he tickled me with his fingers, but then he used the stiff head of his prick. I giggled. I just couldn't help myself. It felt sexy in a kinky way, but it surely seemed to me that Tyler's humongous tool was way too big to get into my hole. "Maybe Duncan isn't as big as I am," Tyler said complacently.

"Nobody's as big as you are!" I agreed. I'm only 19, and I'll admit I haven't seen that many pricks. But I'd measured Tyler with a ruler once, and he was a solid nine inches long. How many guys can say that with a straight face?

"Maybe it was a hot dog fuck," Tyler continued.

"What's that?" I asked.

He began to sweep his prick

up and down the inside of my crack, just between my tight white buns. Then I got it. "Actually, it feels pretty good," I admitted. The length of his rod easily filled my crack, spreading my butt-cheeks wide apart. A knotted, pulsating vein was pressing into the tender pink opening of my virgin butt-hole. I began to feel awfully overheated. Fuck. Anything Joanna could do, I could do better, right?

"Where's the lube?" I asked.

Tyler swept it off the nightstand. We don't often need it—I have a pretty juicy pussy. However, he understood immediately why I was suddenly interested in a half-used tube of old lubricant. With a grin, he sat back on his heels and squeezed a big gob into the palm of his hand, where he warmed it to his body temperature. Then he greased my ass-crack, taking care to spread most of the cream in the tight circle around and on top of my twitching rosebud.

What was I getting myself into? Even his fingertips felt huge! Yet I'd always been attracted to Tyler's size. It made me feel so satisfied, so utterly fulfilled when he crammed himself to the limits in my pussy. I just had to know what it would be like to have him in my ass.

THE LENGTH OF HIS ROD EASILY FILLED MY CRACK, SPREADING MY BUTT-CHEEKS WIDE APART.

He used his thumb to stir the lube around. It came out of my hole with a nasty pop. I couldn't help but giggle out of nervousness and excitement. "Please, Tyler," I whispered. "I'm ready. Don't make me wait any longer."

All at once, he was full-length on top of me. I'm a small, slim girl, while Tyler is a large, muscular guy. When he covers me, he really covers me. If someone had tried to film the scene, they wouldn't have

seen anything of me except maybe my toes peeping out. I loved the warm feeling of being totally blanketed by Tyler's powerful body. His prick was a hot, sticky probe that eased its way into my crack. He gave me a few more hot-dog strokes, then shifted his orientation so he was coming at my asshole prickhead-first. The thick, knotted head caught at my virgin sphincter, and I wondered for a minute if he'd be able to get inside at all.

"Easy, baby," he murmured. "We're not going to rush this. I'm not going to push it. I'm just going to tickle your butt-hole for a few minutes. Mmmm, yes. Doesn't that feel good?"

It did. Oh god, it did. I bucked underneath him. I was startled by the intensity of my own responses. There seemed to be a tight ring of muscles just within my opening. When Tyler nudged me like that, the ring quivered spastically. At first it snapped even more tightly shut, but then suddenly it completely dilated to suck him in. When I finally opened, I was transformed from tight-ass to vacuum-ass. Tyler hardly had to stroke downward at all, because my own internal butt muscles had seized hold of him and dragged him in.

"Wow!" I exclaimed. "I can't believe how big you feel inside me!" My stomach was puffed out into the mattress, and my pussy was being squeezed so that its own inner walls were rubbing on my G-spot. Best of all, Tyler's enormous fuck-tool was discovering new hot spots buried deep within my bowels. I bucked again and again, unashamed of my passionate response to Tyler's deep-drilling strokes. Because my butt-hole was pasted over him like a second skin, I could feel everything—the little dribble of pre-cum syrup oozing from his prickhead, the pulsations in his

distended prick-veins, even the tickle of a stray curly hair that had somehow gotten into my crack. It was just plain overwhelming.

"Tyler, fuck!" I shrieked. "I think I'm going to come!" The words weren't even out of my mouth before I was doing just that. My body lurched and I couldn't stop convulsing from head to toe. The inner lining of my rectum sucked down tight on Tyler's prick and wouldn't let it loose. I was wringing him out like a dirty dishrag, triggering an ejaculation that should have blasted me into orbit. When he tried to go soft, however, my asshole clamped down tight and stimulated him back to his former size. I didn't even know that I knew how to do that!

Joanna is right. Now I'm surely a real woman.

— Fiona, Michigan

NOOKIE NEXT DOOR

I had just moved into my new house and was anxious to meet my new neighbors. I stopped over one afternoon, but they weren't home. Luckily, their 19-year-old daughter, Sheila, was there, and boy, did she welcome me nicely.

I followed her into the house, expecting to be seated in their family room. Instead, Sheila took my hand and led me to a back bedroom. "Make yourself at home," she coaxed, pulling her T-shirt off over her head and revealing her perfect, pert breasts. Her nipples were already stiff, but still she took a moment to pinch

and roll them between her fingers and thumbs.

"We don't have company very often," she said, her voice soft.

Now, I had been around, but I have to tell you I had never been with a woman who wanted that badly to get fucked. She didn't play hard to get, didn't just tease. She was seriously looking to get laid. She pushed her jeans and panties down, exposing her shaved slit. This gal was definitely horny, and I was going to give her exactly what she was looking for.

She stepped out of the crumpled clothing around her ankles, naked and vulnerable while I remained fully clothed. She fingered her dripping slit, "Wouldn't you like to fill my pussy with your big cock?"

THE INNER LINING OF MY RECTUM SUCKED DOWN ON TYLER'S PRICK AND WOULDN'T LET LOOSE.

Her big brown eyes were so innocent, yet she was obviously hungry for cock. I couldn't resist. My hard-on was already straining against the front of my jeans, struggling to escape from its denim prison. She dropped to her knees and crawled toward me. Her arms slipped around my waist while she nuzzled against my crotch. Her warm, wet mouth began to chew on the stiff denim. "Want me to suck it?" she asked.

I could only nod as she ripped open my button fly and reached inside. Her fingers curled around my throbbing stalk and stroked along my oversized cock. She didn't waste any time, slipping her hands under the waistband of my jeans and briefs and pulling them down. In an instant I was as naked as she was.

She swallowed up my cock like she had been starved for it. I She sucked and slurped on my boner, burying her nose in my curly bush. I was so horny, I didn't know how long I could hold back. I jabbed my cock in and out of her sexy mouth, so that my balls slapped against her chin. I was so close. Then she pulled away and leaned over, spreading her ass-cheeks.

"Like to get to know me better?" she asked.

I didn't need to be asked twice. I aimed my thick cock for her tight little sphincter. She groaned and wiggled her ass as I pushed against the muscle-ring guarding her hole. I pushed past the reluctant muscle, my cock sliding into the hot, wet crevice. She groaned and rammed her ass back against my groin again and again. "Oooh, yeah," she purred.

I slipped my arms around her, pushing my fingers into her slippery slit. I rubbed up one side of her wet slit and down the other, then plunged my fingers into her dripping pussy.

I could feel my cock slamming

in and out of her body as my fingers pushed in and out of the slick tunnel. I was getting close, but not as fast as she was. She was definitely horny, ready to blow any second. But I had other plans.

I let my cock slide from her gaping hole, then pushed her onto the floor. I rolled her over, and she looked up at me like a wounded pup. I didn't speak, for a moment. She had to regain a little control. I didn't want her to cum too soon.

Then I jabbed my cock into her hot, wet pussy. I slammed forward. Then I altered my pace, fucking her long and slow and deep. She groaned, obviously frustrated. "Make me come, please," she begged. "Harder. Faster," she whimpered.

I had to take a couple of deep breaths to control my own need to slam into her hard and fast. I moved slowly, methodically, until my heavy load launched itself from my bloated balls. Finally I made one last, powerful lunge and buried my cock balls-deep in her pussy. Her body trembled beneath me, and her pussy contracted around my cock again and again, squeezing and massaging my length.

My muscles tensed and my cream blasted deep into her body. I dropped down on top of her and claimed her mouth, shoving my tongue into the warm wetness. My tongue danced around hers, then retreated.

I let my cock slide from her tight

little pussy and rolled off her. Her eyes were squeezed shut and her fingers were rubbing her swollen clit. I watched as she brought herself to a second and then a third climax. I had never been with a woman who was so horny, so intense, and it was a real turn-on. I was about ready to go another round myself.

HER BODY TREMBLED BENEATH ME, AND HER PUSSY CONTRACTED AROUND ME.

I was disappointed when she got up and pulled on her clothes. "I'm here alone every afternoon. Just stop by anytime, and we'll pick up where we left off." Her words echoed in my head as I walked back to my house. I would plan my schedule so I could be with Sheila again—I just couldn't wait to bury my hard cock in her sexy young body once again.

What type of guys does Dakota Brookes like to date? "I like solitary men. Men who don't mind spending time alone," Dakota explains, pulling aside her frilly panties and showing off her pink. "I like truck drivers, oil rig workers, and guys out in the middle of nowhere doing manly work. The thought of going out to some remote frontier location and sexually servicing all the hard-working men turns me on immensely." The thought of you getting banged by dirty oil-rig workers turns us on too, Dakota.

I've always been a tough one to pin down, except in the bedroom that is. I quickly lose interest in men. Note that I said men, not sex. I love sex with men, it's just some men I don't have much patience for. I like women, too, but there's just something about a real flesh and blood cock in me that I find really exciting. BLAIR-NTS-09

have one of your own a red velvet party

Baking and cooking's
not that hard. You
just have to stay with
it and practice a few
times. Kinda like sex.

So now I'm living in the New Orleans heat and 100% humidity, listening to music and dancing around with nothing but my boxers on waiting for my beer to chill. I'm staying home from work because my air conditioning wasn't working and I needed relief. I had called a few days ago to a company, but they said they were booked solid because of the hot weather. Apparently, everybody's AC decides to break at the same time. Through the music, somehow I heard a knock on the door. I answer it and find a cute thirty-something lady in uniform standing there in an oversize company hat and holding a tool kit by her side.

How obvious, but I had to ask, "Are you the, uh, repairman?" Her eyes were fixated on my chest and glanced down at my boxers. She looked up and said, "Yes, I'm Nataly." she said pointing to her name tag. "I understand your AC's out." "Yep." I say and invited her in. We chatted about the extremely hot weather and noticed she was dripping a bit of sweat and probably

need to cool off, so I offered her a glass of ice cold lemonade.

As she entered the house she sniffed air and the sweet smell. She asked if that was a cake she smelled. I told her I was an apprentice chef and was going to have my baking test this Friday. She wished

me luck and asked where the air conditioner was. I led her to the garage and she got to work. About twenty minutes later and a gallon of sweat, she comes back into the house and says she's finished. She goes over to the thermostat and turns it to cool.

While we were waiting to be sure it was cooling, I asked if she would be my guinea pig and have a piece of my cake and tell me how she liked it. She looked at her watch and said she had a few minutes since her lunch time

was here and her next appointment was in an hour. She put down her bag, took off her cap and sat at the kitchen island. Her blonde hair came falling out of her cap as she took it off. She unbuttoned her top button, fanning her collar on her blouse.

What a little hottie, I thought to myself. I walked to the fridge to get more lemonade. She said she preferred milk with cake. I looked and smiled at her and said I did too. I offered her one along with the drink. I had taken out the cake when she was in the garage and it had cooled enough. I sliced a piece for each of us and

set them out. She forked a piece and savored the taste in her mouth. She smiled and said it was delicious. Humbly, I agreed with her and took another sip of milk to wash down my bite.

We made small talk as I was starting to feel a little flirtatious. I asked if she would like another piece. She said "Yes." but had to get going after that. I placed another down on her plate and I began to get another for myself. She said she shouldn't finish the second one, holding up her forkful, offering the remainder to my mouth. How forwardly sexy, I thought, as I moved in for a small bite, mouth open and tongue sneaking forward.

I noticed that she noticed and caught little smile from her. I took the bite and she ate the rest of it. She gathered her stuff and headed for the door. She stopped a few feet from it and thanked me for the refreshment. I asked if she would like a slice to take with her but said it would probably melt in the service van. But to my pleasant surprise, asked if she could come over tomorrow to show her how to make one. I said she was welcome to come after three when I would have returned from class. She said that would be great, and this time she'd bring the milk because we had finished mine.

The next day I headed off about nine in the morning with another red velvet cake and plum torte. All of the chefs made tasty treats and it was fun to taste them all. About two pm I headed home to clean up before Nataly came over. Right at three there was knock at the door and opening it, there stood Nataly, who brought a lady friend just as cute as her. Both were wearing shorts and tank tops because of the heat and their incredible cuteness.

"Hi, Paul, this is Elise. I hope you don't mind that's she's with me today. She also wants to learn how to make and bake a cake, too." said Nataly. "No problem, please come in." I said as they brushed past me into the house. They head to the kitchen and Nataly goes right to the fridge to put in the gallon of

milk she promised. Elise saw me checking her out as Nataly bent over to find a spot for the milk. Embarrassed, I looked at Elise apologetically and she just smiled. After some small talk, we started making the cake. I watched as the two ladies deftly handled the spatulas and electric mixer. After about fifteen minutes the batter was ready and into the cake pan it went. And an hour later it was ready. As we waited for the cake to cool, they said they were roommates and had been living in Galveston for five years before moving to Houston.

The cake had cooled and the three of us were heating up. This time Elise goes over to the fridge to get the milk as Nataly cuts the cake. I serve them up and we all have a taste. Complimenting each

other on how good it tasted, we all decide to have seconds.

After the next pieces disappeared, the girls commented on how hot the kitchen had become from baking. They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening. I took off my tennis shirt asking permission only after it was off. They laughed and started stripping off their pants, too. In heated anticipation, I cleared the table of the plates and glasses but left the cake nearby.

Then Nataly turned to

me, unbuttoned my pants, and pulled my cock out. She put one hand around it and then Elise put her hand on top of hers. She leaned forward and took the head of my cock in her mouth. As the two women squeezed it, a glob of precum oozed out and Nataly slurped it up.

Elise got behind me and quite deftly guided my cock to Nataly's slick pussy when she stood up from the bj. Nataly moaned as I pushed forward; she pushed back against me. Nataly eventually stood and took me by the hand and led me back into the bedroom. Elise followed and then took the lead. In the bedroom I felt her warm breath as her lips enveloped my cock and she easily slurped half of my cock into her mouth. Looking up, her brown eyes sparkled at me as she inhaled the other half of my cock.

My knees were weak as I felt her throat contracting around my cock for what must have been a minute or two but felt like forever. Nataly pushed me down and straddled my hips, her hands deftly guiding my cock into her sweet wet pussy once again. She started first by just rubbing the tip of my cock against the swollen lips of her pussy. The feeling was wonderful and I found myself thrusting up to try to get deeper inside of that sweet honey pie.

When she finally lowered herself onto my hips, it was like I was sliding into a tub of warm butter, she rested there impaled on my cock for some time. I could feel her muscles start flexing and contracting around me.

I was delirious with the pleasure these women were giving me. With Nataly riding me, Elise climbed onto the bed and straddled my face. I reached up and squeezed her breasts with both hands. She pulled my face deeper into her sopping wet pussy and my tongue extended to its fullest as she leaned forward and began kissing Nataly. When she did Nataly started to flex her hips grinding and riding up and down my cock. It wasn't long before I was spurting my hot cream into her wonderful, magical pussy. But that was not to be enough.

Elise's pussy was hot and wonderful too. When she slipped off my face, she pushed Nataly off me and slid onto my cock. She straddled me and leaned her body over mine, her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them when I could with my teeth as she picked up her tempo until she was slamming her pussy down on my cock. I felt Nataly's hands grab my balls and begin massaging them fiercely as I fucked her friend.

Then I felt one wet finger slide into my butt hole and that sent me over the top. I bucked a couple more times with Elise riding me like a cowgirl. Elise gasped as I felt her pussy muscles contract around my cock and my own juices boiled over into her. She lay on top of me for several minutes, my cock slowly sliding out of her, both of us spent. Nataly laid next to us gently caressing my balls and slipping a finger or two into Elise's wetness.

Elise managed to stand up after a little bit and I could see some of my cum leaking out of her. She apparently felt it too and scooped some up with her fingers. With my milky goodness dripping down them, she shows them to Nataly and says that this would go great with milk and cake! She tells me to get the rest of it. We were going to have us another amazing red velvet party.

KELLY SUMMER

I DON'T KEEP SECRETS

Kelly's arguing with her boyfriend Tommy... again. "You need to stop hitting on my girlfriends!" Kelly says. "You're making me look like a fool!" Tommy has been eye-fucking Kelly's friends for months and has no intention of stopping, but he counters with, "What about when you blow all of my buddies under the table at the weekly poker game? That makes me feel really silly too!" You two lovebirds should shut up and fuck and make up.
